PANEL CONSIDERATION AND DECISION

CLPP01 DA/2022/926/1 - Construction Of A Single Storey Dwelling House And Swimming Pool - 45 Gleeson Rise, Oran Park

DETERMINATION

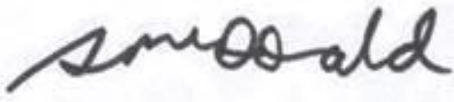

That the Panel:

- support the applicant's written request lodged pursuant to Clause 4.6(3) of Appendix 5, State Environmental Planning Policy (Precincts – Western Parklands City) 2021 to contravene the maximum height of buildings development standard in Clause 4.3 of Appendix 5, State Environmental Planning Policy (Precincts – Western Parklands City) 2021; and
- approve DA/2022/926/1 for the construction of a single storey dwelling house and inground swimming pool at 45 Gleeson Rise, Oran Park, subject to the conditions attached to this report.

REASONS FOR DETERMINATION

- The Panel has considered the written request to contravene Appendix 5, State Environmental Planning Policy (Precincts – Western Parkland City) 2021 in relation to the maximum height of buildings standard. The Panel considers that compliance with the standard is unreasonable and unnecessary in the circumstances, and that despite the contravention of the development standard, the development satisfies the objectives of the zone and standard, will be in the public interest and is acceptable in the circumstances of the case.
- The development is consistent with the objectives of the applicable environmental planning instrument being Appendix 5, State Environmental Planning Policy (Precincts – Western Parkland City) 2021.
- The development is consistent with the objectives of Camden Growth Centre Precincts DCP.

4. The development is unlikely to have any unreasonable adverse impacts on the natural or built environment.
5. In consideration of the reasons, the development is a suitable and planned use of the site, and its approval is in the public interest.
