### FESTIVE ARTISAN AND DESIGNER MARKET IN NARELLAN

Camden Council is excited to host a *Pop-up Christmas Artisan and Designer Market* with all the trimmings on Saturday 13 December at the Narellan Child, Family and Community Centre.

This unique market provides an ideal opportunity to shop locally this festive season for quality gifts made by local artists, at affordable prices.

With a variety of handmade and vintage gifts ranging from artworks, photography, fashion, jewellery, accessories and homewares, along with entertainment for the whole family, the Artisan and Designer market is a shopping experience not to miss this festive season.

Be inspired by the creative designs of local artists as they unite to celebrate creativity and sustainability with a fantastic collection of pieces for sale. The market provides an excellent opportunity to find a special and unique locally made gift for friends and family, in a fun and relaxed atmosphere.

Live music, a poets corner and lucky door prizes will entertain shoppers on the day. The Macarthur Singers will delight the entire family as they perform their favourite Christmas carols. Young shoppers can create their own Christmas decorations at a free workshop on the day.

The Christmas Artisan and Designer Market will be held from 10 am until 2pm at the Narellan Child, Family and Community Centre in Queen Street, Narellan. For further information email [artisanmarket@camden.nsw.gov.au](mailto:artisanmarket@camden.nsw.gov.au) or phone 4645 5129.
