ELDERSLIE - YOUR PARKS, YOUR VOICE

Your Parks. Your Voice. Council is inviting residents of Elderslie to have their say on parks and open spaces within their local area.

The Elderslie community is growing. Council is seeking to better understand the community's values, needs and preferences for their open spaces. This will help to inform Elderslie park projects and upgrades.

Council wants to talk with the community of Elderslie to hear their views and ideas for passive and active recreation uses for Elderslie's parks and open spaces.

Mayor of Camden, Cr Lara Symkowiak said that Council is excited to hear the views and ideas of residents of Elderslie.

"Council is committed to providing services and facilities that meet the needs of our growing Local Government Area."

"I encourage all Elderslie residents to provide their feedback on what they want to see for parks and open spaces in their area. Council will be holding a number of pop-up sessions and have produced an online survey and a Pinterest page to seek out the views and opinions of Elderslie residents. Information on ways to have your say are available on our website."

The first pop-up activity will take place at Merino Reserve, Southdown Road Elderslie on Friday 8 May from 1.30pm until 4.30pm and will include face-painting and a sausage sizzle. The next session will be held on Saturday 9 May from 9am until 12pm at Kirkham Park Elderslie. A third session will take place at the Camden Play Day at Kirkham Park on Sunday 24 May from 11am until 2pm.

Elderslie residents can complete a quick online survey at www.camden.nsw.gov.au, share their ideas on Pinterest #YourParksYourVoice or email Council at mail@camden.nsw.gov.au
