NARELLAN JETS JUNIOR RUGBY LEAGUE FOOTBALL CLUB & METS BASEBALL CLUB RECEIVE FINANCIAL SUPPORT

Narellan Jets Junior Rugby League Football Club and the Mets Baseball Club will soon enjoy much-needed improvements to their facilities thanks to their efforts and funding through Camden Council and the Federal and State Governments.

Mayor of Camden, Cr Lara Symkowiak said these upgrades are welcome and will provide a range of benefits to current and future users of these sporting facilities.

Narellan Jets Junior Rugby League Football Club

“I am pleased that Narellan Jets will see a new clubhouse at Narellan Park thanks to receiving \$200,000 from the Federal Government’s Community Development Grants Program and an allocation of \$47,000 from Council’s Capital Works Program.”

“Through additional funding from Council, the scope of this project can now be achieved. This new clubhouse is consistent with Council’s Sports Ground Strategy and will complement the proposed Narellan Sports Hub development.” Cr Symkowiak said.

Mets Baseball Club

In addition, the Mets Baseball Club was successful in obtaining a grant of \$26,850 through the State Government’s Community Building Partnership Program with the Club also contributing to the project. Council will contribute the remaining funding of \$26,850 to complete the floodlighting upgrade for their home ground at Catherine Field Reserve, Catherine Field.

“I would like to congratulate the Mets Baseball Club on applying for this grant. Through their initiative and dedication, they are finding ways to improve their grounds with the assistance of Council.”

“It is essential we invest in these types of projects to ensure the current and future residents of the Camden Local Government Area have access to a range of quality sporting facilities, and these projects are great examples of how we are working with the community and other levels of government to achieve this.” Cr Symkowiak said.
