### Camden Prepares for Food and Wine Fun

Camden's beautiful Town Farm is the place to be on Sunday 25 September for those seeking a fun afternoon of mouth-watering food, drinks and entertainment.

TASTE Food, Wine and Music Festival will return this year as part of the annual Camden Festival.

Mayor of Camden, Councillor Lara Symkowiak, said TASTE is an excellent opportunity for the community to kick back outdoors on a spring afternoon.

"Come along to TASTE and picnic on the lawn, enjoy live entertainment and treat yourself to an impressive array of fine food, local wines and beers, produce, preserves and food trucks from over 35 stalls."

"2016 *My Kitchen Rules* winners, Tasia and Gracia, will also be at the Farm. The fun sister duo will present two cooking demonstrations, with a meet and greet for fans in between."

"Kids can have their fair share of fun too. Council has organised cooking workshops, face painting, an animal farm, a jumping castle and many more activities for them to enjoy."

"We encourage everyone to get down to the Farm and make the most of this fantastic opportunity."

The schedule for Tasia and Gracia's appearance includes:

- Cooking Demonstration 1 (1pm)
- Meet and Greet (2:15pm)
- Cooking Demonstration 2 (3pm)

TASTE takes place from 12pm to 5pm at Camden Town Farm, Exeter Street, Camden. For more information on the event, please visit [www.camdenfestival.com.au](http://www.camdenfestival.com.au) or call 4654 7777.
