Camden Play Day

Camden Play Day will celebrate National Families Week this year on Sunday 22 May at Kirkham Park, Elderslie from 11am to 2pm.

The theme for National Families Week 2016 is 'Stronger Families, Stronger Communities'. This theme highlights the important role families play as the central building blocks of our communities and celebrates the vital role that families play in community wellbeing.

Mayor of Camden, Councillor Lara Symkowiak is encouraging families in our local government area to celebrate National Families Week.

"Families are such an important part of our lives and they play an important role in our community. National Families Week is a time to celebrate with your family and make contact with your extended family and friends. It is a time to celebrate the meaning of family and to make the most of family life and time together".

"Camden Council and the Camden 4 Children group have organised Camden Play Day again this year. Bring the family down to Kirkham Park and enjoy an exciting, fun filled, free day out with activities for children of all ages and their parents and grandparents to enjoy".

"Be sure to pack the bikes, helmets and joggers. Not only is there plenty of room for the kids to ride their bikes around, they can also take part in the Bike Safety Course where they can learn about bike and road safety. Children also meet their local Police, Fire Brigade and SES members, take a look at their cars and trucks and learn how to stay safe" she said.

Highlights of this year's event include:

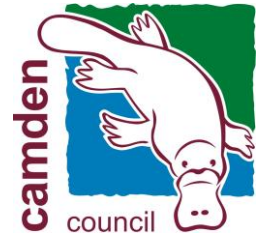

- special guest performance by The King and Queen of Green
- kid's entertainment
- baby play space
- Skateology skate workshops
- giant garden games
- jumping castles
- kids soccer
- BMX Come & Try
