Help to design Camden

A community forum will be held to progress the final stages of the Camden Town Centre Urban Design Framework.

This forum is part of the 12 month community engagement program facilitated by McGregor Coxall that has helped to shape the framework so far.

Come along and hear first-hand an update of the project progress and provide your local insights.

Participants will be invited to build on the ideas generated from previous community engagements and the technical work undertaken by the consultants.

The forum will be held 6.30pm-9pm, Wednesday 18 October at the Camden Civic Centre, Oxley Street, Camden. Spaces are limited. Register by email camdencudf.mailbox@camden.nsw.gov.au by Friday 13 October.
