

You're invited to...

Sustainable House Day

at the Macarthur Centre for Sustainable Living

1 Mount Annan Drive, Mount Annan NSW 2567

Sustainable House Day, Sunday 11th September will be celebrating its 10th year, the event will continue to showcase some of Australia's most sustainable homes to the public as millions of Australians continue to embrace renewable energy, recycling, and other practices suitable to their lifestyles.

MCSL and over 300 homes across Australia will open their doors for tours and give visitors opportunities to see firsthand the benefits and practicality of solar, ventilation, water harvesting, recycling, shading, thermal mass (materials that absorb and release heat), glazing and window treatments, gardens, and lifestyle products.

Sunday 11th September 10am — 4pm

Free admission

- Guided tours presented by sustainable architect
- Lectures on straw bale building
- No dig garden workshop
- Composting workshop
- Worm farming workshop
- Solar power and water tanks displays from local businesses
- Water ways display trailer from Wollondilly Council

For further information about times for tours, workshops and lectures to be held at our centre please contact us on Ph: (02) 4647 9828 or check out our website at www.mcsl.org.au

Sustainable House Day is organised by Shmecco.com. For any further information about the event please visit www.sustainablehouseday.com

Why not start looking into new ways to make your home eco-friendly, more comfortable and cheaper to run?
