

We do hope you enjoy your stay in Macarthur Park. To sit in its peaceful quietness, hear St Johns strike out the time, or children enjoying playing on its fresh grasses, and perhaps we can all thank our forebearers for their foresight in providing such a beautiful, passive recreation area with so much history.

St Johns Church. 1840
 "O Lord how manifold
 are thy works in wisdom
 hast thou made them all
 the earth is full of thy
 riches"
