

LANDING OF BALLOONS POLICY 3.4

LANDING OF BALLOONS

DIVISION: DEVELOPMENT & ENVIRONMENT

PILLAR: ENVIRONMENTAL SYSTEMS

FILE / BINDER:

POLICY STATEMENT:

- a) Permission to enter nominated public reserves for the purpose of retrieving hot air balloons be granted subject to compliance with industry practices and conduct being exercised.
- b) Permission for selected vehicles to enter the Nepean River Accessway (Cycleway) be refused except for cases of extreme emergency (life threatening) or where prior written permission of the owner (for private land abutting cycleway) is obtained.
- c) Proof of adequate public risk insurance be provided to Council by individual balloonists, ballooning companies or ballooning groups likely to land in the area (not just on Council land).

All balloonists, balloon companies and ballooning groups are required to provide public risk insurance having a minimum insurance cover limit of \$10 million.

Council is to be noted as an interested party on all such policies.
