## INTRODUCTION

The Kerbside Exhibitions are a program of curated street exhibitions that bring together local artists to provide a colourful streetscape for visitors and locals to admire the talent of the community. Digital prints of artworks are displayed on guard rails, bus shelters, and bins along Argyle, Mitchell, Murray, and Oxley Street in Camden. **For the first 2024 edition of the Kerbside Exhibition, titled Artists on Sale, every digital artwork that is on display will also have the original artwork for sale.**

This catalogue can be used to find more information about purchasing the works on display, and navigate the exhibition through Camden. You must confirm the details with the artist before purchase.
