## Development Applications

The application and the documents accompanying the application, including any environmental impact statement, are publicly available on the consent authority's website for the exhibition period.

During the exhibition period any person may make submissions to the consent authority concerning the application and the submissions must specify the grounds of objection (if any). Submissions must also clearly indicate the application number in addition to the name, address and daytime contact telephone number of the person making the submission.

Information from submissions received will be included in any report that may be submitted to Council in relation to the application. Submissions may become the subject of an application for access to information under the *Government Information (Public Access) Act 2009* and Council will assess any application in accordance with the Act.

For more information contact Council's Assessing Officer on 4654 7777.
