### BACKGROUND

On 11 December 2018, Council resolved to publicly exhibit the draft Camden Development Control Plan 2018 (now referred to as Camden Development Control Plan 2019).

On 13 August 2019, Council resolved to adopt Camden DCP 2019 following consideration of submissions received during public exhibition.

### WHAT IS A DEVELOPMENT CONTROL PLAN?

A DCP is a detailed guideline that sets out what controls apply to a development or an area of the LGA.

### WHY HAS COUNCIL PREPARED CAMDEN DCP 2019?

Camden Development Control Plan 2011 (Camden DCP 2011) was adopted by Council on 8 February 2011. Since that time, amendments have been made to Camden DCP 2011 to update the document, correct anomalies, and insert new chapters and new controls.

Camden DCP 2019 is the result of a comprehensive review of Camden DCP 2011 and aims to improve its user-friendliness and facilitate quality development outcomes.

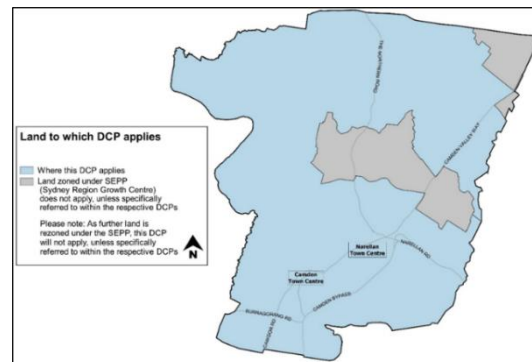

It reflects current State Government policy, corrects anomalies, removes duplication, consolidates provisions for site-specific areas and provides a more user-friendly structure.

### WHAT ARE THE NEXT STEPS AND WHEN WILL CAMDEN DCP 2019 TAKE EFFECT?

The DCP comes into force on 16 September 2019 and effectively rescinds Camden DCP 2011.
