

## **Youth Public Art Participation Project – Rotary Park** **Workshop Expression of Interest**

If you are a local young person aged 12 – 25yrs live, work or study in the Camden LGA and have a creative idea in developing an exciting new mural concept this workshop is for you!

Come along and create designs with a professional and experienced public artist. These designs will be used for new public artwork (murals) to be displayed at Rotary Park, corner of Cowper Drive and Old Hume Highway, Camden South.

The project proposal is to develop artwork that includes local young people's ideas to be used as inspiration for new designs for this area. This artwork will include living plants to create visually attractive urban artwork.

There will be a free workshop (with lunch and refreshments provided) available for young people to participate in at the following venue:
