MAYOR'S MESSAGE

Welcome to the first edition of Let's Connect for 2018. I hope you all had a lovely Summer season.

As another year begins, I am thrilled to see many exciting projects and events unfold in 2018. We started the year with another successful Australia Day event in January, which saw thousands of people gather in Camden to celebrate what is great about our nation.

In February we officially opened Camden's first dedicated art gallery, The Alan Baker Art Gallery within the historic Macaria building. The gallery was made possible through the generous provision of 77 Alan Baker paintings and drawings from Macarthur residents Gary and Melissa Baker and Max and Nola Tegel.

This creative vision was made a reality by Camden Council, which showed its support and commitment to the promotion of arts in the region, by investing in and restoring historical Macaria as Camden's revitalised home of the arts for our community to enjoy.

I am also proud to share an update about the delivery of the water play park at Curry Reserve and two youth play spaces at Harrington Park Lake Reserve and Sedgewick Reserve. Preparations are well underway, with construction works to start this year on these three projects.

I look forward to seeing you and your pets enjoy a fun-filled day out at the annual Paws in the Park event on Sunday 6 May. Each year Paws in the Park continues to grow and I invite everyone to be part of this fantastic community event.

Until next time,

Lara Symkowiak

Mayor of Camden

Paws in the Park 2017

PAWS IN THE PARK

On Sunday 6 May treat your pet to a fun day out at the Camden Bicentennial Equestrian Park between 9am and 1pm at Paws in the Park.

Come along and show off your cute canine, enter a pet competition and pose with your pooch at the photo booth. There will also be pet demonstrations and roaming entertainment.

You can pick up some tips on pet ownership, have a free vet check, meet like-minded people and scoop up a free show bag.

If getting fit with your pet is on your list you can join the 3km walk and take in the amazing views from one of Camden's most scenic locations.

Event highlights

- Demonstrations;
- Competitions;
- 3km walk;
- Photo booth for you and your pooch;
- Children's activities;
- Information stalls; and
- Macarthur Lions BBQ.

MAJOR PROJECTS

WATER PLAY PARKS PROJECT UPDATE

Council will proceed with the development of a new water play park in Elderslie after it adopted the design and construction tender at its Council meeting on 13 March 2018.

The \$2.4 million project will include water play equipment across three splash pads that will cater to all ages and incorporates new amenities and car parking facilities at Curry Reserve.

The Curry Reserve Water Play Park project includes:

- Three splash pads, at a total size of 410m²;
- 36 play features including toddlers 'discovery stream';
- Water heating, pump and filtration systems;
- Waterproof wheelchair and storage;
- Shade sails;
- Landscaping;
- Wheelchair accessible change facilities, including an adult hoist;
- New toilets, showers and change rooms; and
- Additional car parking.

Works are scheduled to begin in June and the water park is expected to be completed during summer.

YOUTH SPACES PROJECT UPDATE: DESIGNS FOR PLAY SPACES NOW COMPLETE

Plans for two new recreation play spaces in Harrington Park and Currans Hill are now complete.

The designs for the parks have been inspired by input gathered during community consultation in May 2017.

Council has allocated \$2 million for the design and construction of two youth play spaces, with both parks designed to incorporate the natural landscape of each site, creating unique, attractive and interactive recreation facilities.

Plans for Harrington Park Lake Reserve, Harrington Park include:

- Skate elements;
- Challenging climbing and Ninja Warrior style equipment;
- Accessible elements;

- A multi-use path for skaters, scooters and bicycles; and
- The existing carpark will be moved to the entry of the site, (off Fairwater Drive) and picnic facilities and landscaping installed; and
- unisex accessible toilet.

Plans for Sedgewick Reserve, Currans Hill include:

- The existing playground will be incorporated into the design;
- A sensory path and equipment to enhance diversity of play experiences;
- Areas for skating, scooters and bicycles;
- Large play structures like trampolines and climbing apparatus;
- A carpark drop-off with disabled parking, family parking and mini bus bay built near the entry point;
- unisex accessible toilet; and
- Shade Sails.

ORAN PARK LIBRARY PROJECT UPDATE

Construction of the new Oran Park Library and Community Resource Centre is nearing completion, with the library planned to open for community use in mid-2018.

The two-storey library will provide a place of community development and information, education and recreation and will feature five activity rooms, children's reading nooks, open spaces,

high ceilings and picturesque views across the Town Park.

Externally there will be an outdoor landscaped area which can be used for library activities and a civic plaza in front of the building for outdoor public events.

There is a focus on sustainable features to minimise the building's eco footprint including air conditioning linked to

the Council administration building to reduce running costs and increase water use efficiency.

Construction of the exterior of Oran Park Library and Community Resource Centre is nearing completion.

WORKS BEGIN ON ARGYLE STREET STAGE 3

Stage 3 improvement works to Argyle Street in Camden have commenced.

The focus of the \$2.3 million upgrade project will be between Oxley Street and Murray Street, with works complementing the look of the heritage buildings and the diversity of architecture along the street front.

These works include:

- Widening and reconstruction of footpaths to improve footpath levels;
- Installation of new street furniture;
- Landscaping of the Murray Street roundabout;
- Additional trees (including a Jacaranda) and garden beds;
- Installation of new street lighting; and,

• Improved drainage. Works are due for completion in late 2018.

Information about the Argyle Street Upgrade Project is available on Council's website camden.nsw.gov.au/major-developments

Macaria has been fully restored and is now home to the Alan Baker Art Gallery

ALAN BAKER ART GALLERY OFFICIALLY OPENED

In February 2018, the Mayor of Camden, Cr Lara Symkowiak officially opened Camden's first permanent public art gallery - The Alan Baker Art Gallery.

The gallery occupies the recently renovated, historic Macaria building (Council's former office building) and provides an opportunity to honour local artist Alan Baker and showcase his artworks.

The Alan Baker collection tells a story of life, Australian tradition, culture and artistic journey. His works reveal stories of love, family, community, war, beauty, darkness and tragedy; each capturing history. He reveals the people and places of Macarthur and the role he played in developing an arts network in Camden.

Whilst the gallery is a dedicated showcase of Alan Baker's works, it also provides an opportunity to connect local artists, foster future artists and promote art in Camden.

A total of 79 art works will be on exhibition for public viewing 11am - 4pm each Thursday, Friday, Saturday and Sunday at 37 John Street, Camden.

For further information visit alanbakerartgallery.com.au

YOUNG PEOPLE INVITED TO DESIGN PUBLIC ART

Young people were invited to be involved in the concept design for two new public art murals in Narellan and Elderslie.

After the success of two youth public art projects completed in Currans Hill and Harrington Park in 2017, Council has allocated a further \$25,000 to develop new murals for other community spaces.

The Camden Youth Council was involved in the identification and selection of both spaces which include the walls at the Narellan Library entrance and the Kirkham Skate Park.

The murals are designed to renew these community facilities, enhance their appeal and create a feeling of welcome for people of all ages.
