

# Application for a Pre-Purchase Inspection

## Notes to Purchaser:

- A change in occupancy number may lead to a change in the systems performance.
- This inspection will not provide a detailed report on the internal operating condition of the tank e.g. AWTS it is recommended that the purchaser obtain from the current owner copies of previous recent service reports for the system or engage the services of a qualified service provider to undertake a detailed inspection of the internal operating condition of the tank
