New neighbourhood park in Spring Farm

Spring Farm families will have a new neighbourhood park to enjoy with the opening of a playground in Bandara Circuit.

The \$1 million park project has been designed to incorporate the remnant woodland in the 6Ha site and includes play equipment to suit children of all ages.

“This park is a fantastic asset to the community and integrates the natural environment to make it a lovely place for families to enjoy,” said Mayor Peter Sidgreaves.

“The mixture of large and small equipment, natural play zones and shaded areas will appeal to children across a diversity of abilities and interests,” Cr Sidgreaves said.

“Extensive path networks feed through the park that makes it easily accessible for parents and children,” he said.

The site includes natural shade from the existing established trees in the bush corridor setting as well as some structural shade to cover play areas.

The equipment includes: -

- Trampolines;
- Handrope climbers;
- Rock hold grips;
- Slides;
- Swings;
- Dish and Plato Spinner; and
- Multi play piece – 6m Eagles Nest.

Seating has been installed around the landscaped site that has been planted with native grasses and turf.
