Every Child is a Star at Family Day Care

'Every Child is a Star' is the theme for this year's National Family Day Care Week, commencing on 3 May.

National Family Day Care Week is a great way to recognise and celebrate the important role of family day care educators and services play in the development and well-being of 179, 200 children across the country.

Carers, parents and children of Camden's Family Day Care Service will join to celebrate the week at a special morning tea.

Camden's Family Day Care service provides early childhood education and care services for children across the Camden Local Government Area. Camden Family Day Care is a unique home-based education and care service that offers a warm, safe, secure and stimulating home environment catering for young babies through to pre-teens.

Operating under the same National Quality Framework as other forms of childcare, Camden Family Day Care incorporates national regulations, quality and qualifications standards for educators, educational frameworks and an assessment and ratings process.

Camden Family Day Care supports all their educators by coordinating regular training, meetings and workshops as well as regularly visiting their homes to monitor and report on the children's' progress. The Camden Family Day Care staff and educators are committed to supporting the delicate transition of children between home and care.

Camden Family Day Care unit is located at the Narellan Child, Family and Community Centre on Queen Street, Narellan.
