Students from high schools in the Camden Local Government Area were recognised by Council at a civic reception hosted by the Mayor of Camden, Councillor Lara Symkowiak. These high achievers were recognised for their accomplishments in the 2014 Higher School Certificate.

“The Higher School Certificate symbolises the end of secondary school for students. I congratulate all students in the Camden Local Government on their achievements and dedication in completing their Higher School Certificate and wish them every success in their future endeavours.”

“I was very proud to host a civic reception to honour our Camden high achievers.”

“The HSC is one of the greatest challenges in life and while the success belongs to the students, I’d like to also acknowledge and thank all the parents, teachers, family members and friends who supported the students through this time” she said.
