YOUNG PEOPLE INVITED TO MAKE A DIFFERENCE

Council is offering young people an exciting opportunity to make a difference in their community. Young people aged 15 to 25 years who live, work or study in the Camden Local Government Area are invited to join Camden Youth Council.

Mayor of Camden, Cr Lara Symkowiak said that this is a fantastic opportunity for young people to be actively involved in our community.

“Camden Youth Council members discuss local issues relevant to young people in the Camden Local Government Area and develop initiatives to address the needs and concerns on behalf of other young people in the community,”

“This is a great way for young people to express their views and contribute towards the development and future of the Camden community.”

“It is also a great way to meet like-minded people and make a difference for young people in Camden.” Cr Symkowiak said.

Camden Youth Council also work in partnership with a number of youth and community groups to plan, organise and lead local youth events, activities and projects such as Camden’s annual Youth Week program, which was awarded the Best Local Youth Week program in NSW in 2014.

Applications open Monday 1 June and close on Sunday 14 June 2015. The Camden Youth Council term is for two years and there are 13 positions available.
