## Free recycling drop off day

Residents have the chance to get rid of extra recycling waste after the holiday period at a free recycling drop off event on Saturday 6 January 2018.

Council is hosting the event to assist residents with extra or large recycling material that may not fit in their yellow bin.

“This is a great chance for our residents to clean up after the busy festive season,” Mayor Lara Symkowiak said.

“It also has a positive environmental aspect as the day helps divert waste from landfill,” she said.

Materials that would normally be collected in yellow-lid bins, such as paper, cardboard, cards, wrapping paper, plastic bottles and containers, cans and glass bottles will be accepted at the free recycling drop off day.

Items that will not be accepted include general waste, polystyrene, tinsel, batteries, chemicals, electronic waste and plastic wrapping.

The free recycling drop off day will be held at Council’s work depot located at 5 Millwood Avenue, Narellan from 9am to 3.30pm.
