## Free recycling drop off day

Residents have the chance to get rid of extra recycling waste generated after the festive season with a special recycling drop off event planned.

Council is hosting the event to assist residents with extra and large recycling waste that wouldn't fit in their yellow bin on Saturday 5 January, 2019.

“The recycling drop off day gives residents an opportunity to clean up after a busy festive season,” Mayor, Cr Peter Sidgreaves said.

“This also gives residents the chance to help the environment and divert waste away from landfill.”

Materials that would normally be collected in yellow-lid bins, such as paper, cardboard, cards, wrapping paper, plastic bottles and containers, cans and glass bottles will be accepted at the free recycling drop off day.

Items that will not be accepted include general waste, polystyrene, tinsel, batteries, chemicals, electronic waste and plastic wrapping.

The free recycling drop off day will be held at Council's work depot located at 5 Millwood Avenue, Narellan on Saturday 5 January, 2019 between 9am and 3.30pm.
