Sponsorship available for community events

Applications are now open for community and sports organisations seeking support to host an event planned for the second half of the year.

The Community Sponsorship Program is available to assist not for profit groups to hold locally based events and activities in the Camden area.

“Through this fund, Council supports community based initiatives that will benefit residents, stimulate the economy and enhance the area,” said Mayor Lara Symkowiak.

“We want to encourage local groups and individuals to run events and meet the diverse needs of the community,” Cr Symkowiak said.

Applications are open until 1 March for events that will be held between July and December 2018.

Further information, guidelines and application forms can be found online at camden.nsw.gov.au/community/grants or call 4645 5106.
