## FREE recycling drop-off day

Camden Council's popular FREE recycling drop-off day will now be held quarterly, with residents invited to dispose of recycling waste **on Saturday 13 April, 9am-2pm.**

Mayor of Camden, Cr Peter Sidgreaves, said the event, which was previously held annually, will be held at Council's work depot, located at 5 Millwood Avenue Narellan.

"It's perfect for residents who are moving in or out of a property," Cr Sidgreaves said.

"The bulky cardboard and polystyrene material used to move in and out is quite difficult to dispose of, within normal domestic waste services – so this service will be a welcome relief."

Materials that will be accepted at the free recycling drop off day include:

- Polystyrene;
- Paper and cardboard;
- Newspaper, magazines and brochures;
- Clean pizza boxes;
- Aluminium cans, trays, foil, steel cans and aerosol cans (with a removable nozzle);
- Glass jars and bottles;
- Milk and juice cartons;
- Bottle caps and lids (plastic and metal); and
- Plastic with the triangle symbol with the numbers 1 to 7.

Items that will not be accepted include general waste, tinsel, batteries, chemicals, electronic waste and plastic wrapping.

For more information, call Council on 4654 7823.
