Part 7 – Applicant Declaration

I apply for the lodgement of the Security described in this Application. I understand that if the conditions/s of Consent or works for which Security is held are not fully satisfied, Council will retain the Security and take action to order compliance with the development consent. This includes completed or incomplete or deferred works within the required timeframe.

Please note that upon the application for the refund of security:

- A Bond Release Administration Fee is payable in line with Council's Fees & Charges and can be viewed on Council's website – [Fees and Charges – Building & Development – Bonds & Administration Fees](#)
- Council is required to confirm that the Bond can be released. This involves an inspection of the work and review of the files.
- Should the work be unsatisfactory, or not be completed in the required timeframe, Council may call on the Bond and undertake or rectify the works.
- Bonds can only be returned to the Payee.
- Bank Guarantees can only be returned to the Payee or issuing Organisation at the Branch indicated above.

Council will undertake one inspection of the constructed works to identify any out-standing or unsatisfactory items. Upon written notification from the Applicant that such matters have been completed/rectified, one further inspection will be undertaken to verify such. Should Council determine from this inspection that works are still outstanding/unsatisfactory and subsequent inspections will be required, the results of such inspections will not be provided until the required inspection fees have been paid and the receipt number provided to the Inspection Officer.
