Please return completed form to either [mail@camden.nsw.gov.au](mailto:mail@camden.nsw.gov.au) or Po Box 183 Camden, NSW, 2570

## Terms & Conditions – Street Stall

1. The street stall must be pre-booked with Camden Council. A maximum of 12 bookings per calendar year will apply to one organisation.
2. Only community groups that utilise funds raised from street stalls for community or charitable purposes be allowed to conduct a street stall. (A not for profit certificate may be required upon booking)
3. The applicant must indemnify Council against all claims of public liability and shall maintain a public liability insurance policy, with a minimum insured value of \$10,000,000.000. (A copy of the policy must be submitted upon booking)
4. Any goods or structures used in conjunction with the display or sale of goods must stay within the designated area. The front entrance of any shop or walkway is always to remain unobstructed.
5. A clear distance of at least two metres in width is always to be maintained between any goods displayed and the kerb line so as not to interfere with pedestrian traffic.
6. No structure used for the display of goods shall be fixed to the footpath and all structures/goods displayed on the footpath must be removed upon close of trading. Footpaths and surrounding areas are always to be kept tidy.
7. Appropriate identification of the organisation operating the stall shall be displayed on the street stall for the public to view. This may be the name or logo of the organisation.
8. The street stall must be in one of the following approved locations:
  - i. Outside Blooms Pharmacy – 148 Argyle Street CAMDEN
  - ii. Outside National Australia Bank – Corner of John Street & Argyle

# > HELPING BUSINESS GET BACK TO WORK

13 June 2020

## COVID-19 Safety Plan

### Non-food markets (including artisan, clothing and craft markets)

We've developed this COVID-19 Safety Plan to help you create and maintain a safe environment for you, your workers and your customers.

Complete this plan in consultation with your workers, then share it with them. This will help slow the spread of COVID-19 and reassure your customers that they can safely visit your business. You may need to update the plan in the future, as restrictions and advice changes – you can make changes to the plan if you've printed or saved it, or you can choose to download and create a new version of the plan.

Businesses must follow the current COVID-19 Public Health Orders, and also manage risks to staff and other people in accordance with Work Health and Safety laws. For more information and specific advice for your industry go to [nsw.gov.au](http://nsw.gov.au)

## > REQUIREMENTS FOR BUSINESS

Requirements for your workplace and the actions you will put in place to keep your customers and workers safe

REQUIREMENTS	ACTIONS
<b>Wellbeing of staff and customers</b>	
Exclude staff and customers who are unwell.	
Provide staff with information and training on COVID-19, including when to get tested, physical distancing and cleaning.	
Make staff aware of their leave entitlements if they are sick or required to self-isolate.	
Display conditions of entry (website, social media, entry points).	

## Wellbeing of staff and customers

Ensure COVID-19 Safety Plans are in place, where relevant, for:

- Restaurants and cafes (including food courts).

### REQUIREMENTS

### ACTIONS

#### Physical distancing

Calculate the floor area of the market space to determine the maximum number of people who can safely occupy the space (one person per 4 square metres). Consider displaying signage at entrances with the maximum safe capacity to manage customer expectations.

Put plans and systems in place to monitor and control the number of people on site at any given time to allow for physical distancing.

Consider strategies to avoid congregation at entrances and exits.

Develop strategies to control the flow of crowds, such as separate entry and exit points and uni-directional marking on the ground.

Develop strategies to reduce crowding wherever possible, such as markers on the floor where people are asked to queue.

Consider barriers or other controls to ensure staff and visitors at interaction points stay at a safe distance, or are separated by a barrier such as a rope, table or service counter.

Consider strategies to avoid crowding if entertainers are performing.

Encourage workers to stay at stalls and to avoid interactions between stall workers (including at meal breaks), where reasonably practical.

If seating is required, move or remove seating to comply with 1.5 metres of physical distance.

Review regular deliveries and request contactless delivery and invoicing where practical.

REQUIREMENTS	ACTIONS
<b>Hygiene and cleaning</b>	
Adopt good hand hygiene practices.	
Provide hand sanitiser at multiple locations throughout the marketplace, including entry and exit points.	
Ensure bathrooms are well stocked with hand soap and paper towels.	
Clean indoor hard surface areas frequented by staff or customers at least daily with detergent or disinfectant. Clean frequently touched areas and surfaces, including tables, several times per day with a detergent or disinfectant solution or wipe.	
Disinfectant solutions need to be maintained at an appropriate strength and used in accordance with the manufacturers' instructions.	
If items are to be viewed, encourage visual inspection where practical. Provide hand washing facilities or hand sanitiser for customers to use before and after handling objects. Have detergent or disinfectant wipes available to wipe objects regularly, where practical.	
Consider removing printed pamphlets, and instead providing relevant information through digital channels such as email or website.	
Limit the use of cash transactions by encouraging contactless payment options.	
If entry ticketing is required, consider electronic methods.	
Staff are to wear gloves when cleaning and wash hands thoroughly before and after with soap and water.	
Clean cutlery and tableware with detergent and hot water, or with a commercial grade dishwasher if available.	

**REQUIREMENTS****ACTIONS****Record keeping**

Employers should make staff aware of the COVIDSafe app and the benefits of the app to support contact tracing if required.

Cooperate with NSW Health if contacted in relation to a positive case of COVID-19 at your workplace, and notify SafeWork NSW on 13 10 50.
