Notes :

The State Government's Environmental Planning and Assessment Act 1979 No. 203 (Act) was updated on 1 March 2018. As per the update, Section 94 became Section 7.11.

Rates are based on a standard dual occupancy or secondary dwelling development and assume all other Section 7.11 Contributions have been previously paid on the subject lot.

A bedroom is defined as a room designed or intended for use as a bedroom or any room capable of being adapted to or used as a separate bedroom.

Council provides new rates each quarter in accordance with indices published by the Australian Bureau of Statistics . Next quarterly changes will take place on : 26 Oct 2022, 25 Jan 2023, 26 Apr 2023 and 26 Jul 2023.

The actual contributions applicable to the proposed development will be set out within the conditions of consent issued. Any of Council's Contributions Plans may be amended or altered before the issue of that consent.

Currently established areas are capped at \$20,000 per lot or per dwelling.

Greenfield release areas are capped at \$30,000 per lot or per dwelling.

(Narellan Release Area, Elderslie Release Area, Spring Farm Release Area, Leppington Precinct and Leppington North are excluded. For these areas, please refer to the table above).

* Elderslie Release Area: The existing part of Elderslie is classified Existing Area. The area newly released for development is Elderslie Release Area. Please contact Council to confirm the contribution rates.

** Oran Park South and Catherine Fields (Part) Precinct: Contact Council if further clarification is required.

If a granny flat/ Fonzie flat is to be subdivided into its own lot, it is not longer considered a secondary dwelling. Please contact Council to confirm the contribution rates.
